The Editors wish to thank their Research Assistants, Catherine Kelso and James Hutton, for their dedication and tremendous efforts in preparing this manuscript for publication. They would also like to thank the Australian National University which, through a grant from the former Vice-Chancellor's Plan for Growth, provided the funding support for this project. Special thanks go to Professors John Braithwaite and Hilary Charlesworth for their support and work in obtaining the funding which enabled the project to proceed, to the Faculty of Law for its support during the project, and to Flinders University for granting leave so that Professor Corcoran could participate in the project. Finally the editors would like to thank the Dean of Law, Professor Michael Coper, for his personal support and all of their colleagues who participated in the project, including those visitors from around Australia and overseas who gave seminars and shared their individual expertise with the ANU legal community.
