

Bibliography of the Republican Works of Professor George Winterton

Jackie McArthur

This bibliography contains many works cited by some of the other contributors. This is testament to Professor Winterton's extraordinary role as a patron, both academically and practically, of a future Australian republic.

Books

- Parliament, the Executive and the Governor-General – A Constitutional Analysis* (1983).
Monarchy to Republic – Australian Republican Government (1st ed, 1986) (2nd ed, 1994).
We, The People – Australian Republican Government (1994) (ed).
State Constitutional Landmarks (2006) (ed).
