

# LET US KNOW WHAT YOU THINK

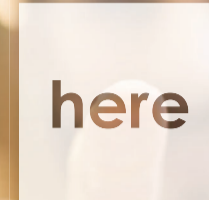

The team at ALIA House has worked hard to create this digital version of INCITE, please take a moment to let us know what you think of it.

For this issue, the team at ALIA House has experimented with content that shows the benefits that the digital platform provides and the opportunities available to make interactive articles.

I certainly hope that you enjoy consuming this issue as much as we've enjoyed working on it and I hope that you will take a moment to fill out a short (10 question) survey so that we can get your feedback on this issue of *INCITE*.

Your feedback will help to improve the way we create *INCITE* in the future and help us to include content that you want to see and to produce content that is relevant to the industry as a whole as well as to your sector specifically. I've set the survey up on Survey Monkey and, if you are currently connected to the internet, the link in the image in the upper right ([bit.ly/2HiRdqQ](http://bit.ly/2HiRdqQ)) will take you to our survey through your preferred browser where you can let us know your thoughts and help us to create a better magazine in the future. Thank you for reading this first digital only issue of *INCITE*. 

Give your feedback on the digital issue of *INCITE*
